Description

A stunning and extremely well made original Art Deco period nest of tables in walnut. This was made in England, it dates from the 1930's. The quality is outstanding, this is beautifully designed with the three inverted U shaped tables nestling perfectly beneath one another. There is amazing burr walnut on the tops and figured walnut on the sides, all the edges are also nicely cross banded with walnut. We have recently had these stripped and re-polished to a very high standard, the condition is superb throughout. Width – 51 cm , 20 inches Depth – 36 cm , 14 inches Height – 56 cm , 22 inches
