Description

Very well proportioned satinwood inlaid dressing table with hand painted garlands and three original oval bevelled adjustable mirrors, circa 1900. Wonderful colour to the satinwood and with the ebony inlaid throughout contrasting so well with the rich satinwood. Five good size drawers offering you lots of storage, but also a sensible kneehole height area for when you sit at the table. The hand painted garlands running along the upstand beneath the mirrors are very elegant and decorative too. The condition is good through, solid frame, all drawers running well and the bevelled mirror glass are all in good condition too. There are some age related marks around the surface edging and also a small area of scarring to the surface (shown in the last pic), all cleaned and beeswax polished so it has a lovely mellow shine. Measuring: 67 inches or 170 cm maximum height 49 3/4 inches 126.5 cm wide 25 inches 63.5 cm deep 31 1/4 inches 79.5 cm surface height 62 cm the kneehole height
