Description

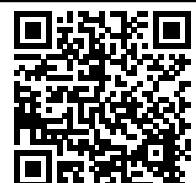

An attractive Victorian antique pine chest of drawers with great character. The antique pine chest has two short over three long graduating drawers, each with wooden knobs. Raised on four bun feet. A great example of a charming antique pine chest, with brilliant grain throughout. Finished with a fresh coat of natural wax. Item Ref; M-4101 . DIMENSIONS: Height – 88cm / Width – 95.5cm / Depth – 44cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and splits in the wood throughout the item including the top, sides and draw fronts (pictured), however this doesn't affect the integrity and adds to its character. There is also fading to the wood on the top (pictured). The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example.
