Description

Here we have a very impressive huge size late Georgian copper kettle of high quality. This is a heavy grade copper kettle of dovetailed construction. This is a really nice example of great shape, even the large handle is a lovely shape. The kettle is of early dovetailed construction all round even the spout. The kettle is in very good condition. Price includes UK postage and packing costs. SIZE; 10" diameter body. 14 1/2" high overall CIRCA; 1830
