Description

Good pair of early 19th century Regency oval gilt framed prints of Ladies in the manner of Angelica Kauffman. I think these are probably by Kauffman but are not marked as such. They are both in very nice original condition with original labels to the back saying who they are (see photos). The gilt frames are in good condition and both have their original glass. SIZE; Both are 11" wide by 16" high. CIRCA; 1810 - 1830
