Description

Nice and pleasant late Georgian sampler in a modern gilt wooden frame. Sampler made by JESSIE ROBERTSON, AGED 10. The colours are good and the condition is OK although it might benefit from being stretched and re-framed better. The house at the bottom is nice with various animals around it including a rabbit, dog and cat. Please note this is a PROPER original sampler and not one of those fake paper ones. SIZE; 21" by 15" CIRCA; 1830 - 1840
