Description

This is a superb quality Georgian period burr walnut chest of stand. The veneer throughout is gorgeous colour and figuring, especially to the top. The overall condition as well is superb with only a few minor faults consistent with age. All the drawers open and run smoothly making it a practical piece as well as hugely decorative. The stand is a very elegant design that sets this piece apart from others I have seen. Another great detail is the marquetry around each drawer. It is a true quality period Antique piece that will work well in both modern and traditional homes. Height 143cm Width 131cm Depth 59cm Price includes UK mainland delivery
