Description

This is a very stylish and well made Arts and Crafts adjustable brass floor lamp. The mechanism is superb and works very smoothly. You simply pull the top of the lamp up to the desired height and then pull up the bronze ring a few inches below the lamp holder to release the lock and lower the lamp. The whole piece has a nice weight to it and patina. The feet are simple but give the lamp an ageless design. All wired and good to go. Height 133cm lowest Height 178cm highest Diameter 50cm. Price includes UK delivery.
