Description

A lovely twinkly 3mm rose-cut diamond sits at the centre of this pretty 15-carat gold ring, flanked by a pair of deep royal blue sapphires (2.5mm). The ring is in very good antique condition; the shoulder detail is a little worn. Marked 15CT inside the shank. Fifteen-carat gold pieces are not overly common (in the UK only really used between 1854 and 1932) and as this fineness was generally used in high quality pieces, it is attractive to collectors. Size: S (UK), approximately 9 (US). Weight: 2.0g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded.
