Description

A well proportioned Victorian antique pine chest of drawers. The antique pine chest has an arrangement of two short over three long graduating drawers, each with decorative brass backplates and drop handles. Raised on simple block feet. Finished with a fresh coat of natural wax. Item Ref; M-4137 . DIMENSIONS: Height – 101.5cm / Width – 101.5 cm / Depth – 51.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top and drawer fronts (pictured), also shrinkage and splits to the sides and top (pictured). There is minor evidence of historical woodworm, however this is now long gone and has been fully treated as a precaution. The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a neat example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
