Description

Large 19th century tooled leather photograph album, complete with 26 photographs, c1890. This is a fine quality example with lovely brass clasp leaf decoration and gilt edged pages. The photographs are a nice mix of mainly Victorian portraits/scenes. Overall condition is very good given the age and use of the item. There is a small area of wear on the base of the spine and some very minor foxing to some of the pages. The leather has taken on great colour/patina. Please refer to the detailed photographs and feel free to contact me if you would like to view the item or have any questions. Price includes FREE UK delivery. Please contact me re international shipping. Size: 39cm long/tall x 21cm wide x 6cm deep.
