Sold**Item Reference: SA910496****Date of manufacture: 1960**

Description

This ring displays a fine combination of Platinum and quality gem stones. The shank in Platinum rises to a substantial gallery hosting the high set central oval ruby clasped with ten Platinum claws. The ruby is highlighted and contrasted by the surrounding diamonds tightly nestled together. The central gem is a Burmese Ruby of rich red well saturated colour and is surrounded by a halo of robust bright and lively diamonds. This is a fine example of a classic ruby cluster perfectly suitable for an engagement ring or that special gift to mark one of those milestone moments in life. Overall across top: 13.5 x 15.75mm Ruby approx: 2.5ct Diamonds approx: 1.16ct Clarity approx: VVS2-VS1 Colour approx: G-H
