Description

An exceptional 1930's Art Deco glass vase originating from the Czech Republic and what a gem it is, It really does pack a punch with it's heavily decorated and most glorious geometric decoration. High quality with the most beautiful detailing and no damage. The body of the vase is an unusual shape with almost a disfigured twist in the body, stunning acid etched enamel artwork. Decorated all sides, displays beautifully and will certainly make an impact in any Deco setting. Pure class. The opening at the top is 12 cm and tapers down to 8 cm at the base creating a wonderful tulip shape. The whole vase is very heavy and the glass itself quite thick showing real signs of quality.
