Description

Exquisite pair of French kingwood parquetry and brass mounted round marble top side lamp tables, circa 1890 and in super original condition. Perfectly proportioned pair of tables and beautifully made, very elegant but of a good size so they will work in many locations, and they are just beautiful to look at too! Each table has two drawers as shown and they are intended to free stand as sofa lamp tables. Lovely cut of marble too, great colour contrast to the parquetry and the brass banded tops. A rare find to have them still together as a pair, wonderful quality and condition. Priced as a pair. Measuring: 29 inches or 74 cm high 26 inches or 66 cm diameter 24 1/4 inches or 61.5 cm floor to under side
