Description

This cabinet is built to the highest standard of craftsmanship & would have been a significant purchase for the first owner. The top section has a central cupboard door surrounded by a selection of galleried shelves. The base section has four cupboard doors and a large central recess. The cabinet is fitted with mirrored back panels throughout & superb quality bevelled glass throughout. The intricacy and quality of the construction is quite magnificent and far exceeds modern standards. This is a great statement piece for a very high-class home. Working height 104cm
