Description

Home working from the Home Office! A fine quality late Victorian American walnut secretaire bookcase cabinet. The top section has a moulded cornice over two glazed doors opening to a shelved interior. The base section has a secretaire drawer with drop front and well fitted interior, over two carved doors and a plinth base. The glass doors have been later sign written for the Home Office. This is a great piece for someone wanting very practical piece of furniture that would certainly be an excellent conversation starter. Additional dimensions:- total height 234cm, working height 100cm, total depth 50cm and top cabinet depth 34cm. This piece has been later hand sign written.

Internal Ref: HF1086
