Description

Antique Omega pocket watch, c1922. The watch has a 15-jewel calibre 19LB stem-winding movement which is working nicely. The movement is signed Omega, and it has the serial number 5,996,390 which dates it back to around 1922. The movement is protected by an inner hinged cover which is signed Omega and has images of medals won. There is also a Swedish personal inscription which roughly translates as, "On the 60th Anniversary from the Children, 24 June 1926". The watch measures 51mm diameter excluding the winding stem and the loop. The case is 800 silver with rose gold wash detail. The case is in beautiful condition, just minor marking and a little rubbing to the bezel. The inside of the case back has the Omega logo. The glass lens is in lovely condition. The black dial is in lovely condition with original ornate hands, a subsidiary seconds dial and an outer minute track. The watch comes in a new presentation box.
