The total carat weight is approximately 1.5cts - elegant and very much in the classic Art Deco design. It has the original the 9ct white gold clasp to the white silk strap making it the perfect accessory for a wedding dress. We can fit almost any colour of silk strap and it can be made to fit any wrist size. The case measures 15mm wide and the diamond section in total is 45mm long. It comes complete with a presentation box. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. The case is marked platinum and has been fully tested. This watch certainly has that understated elegance which resonates class. Overall this watch is simple stunning and was obviously extremely well cared for, it would certainly make a perfect gift for any lady especially when worn with that little black dress - very Audrey Hepburn! This watch has been fully and professionally overhauled, the process is highly detailed and...
