Description

Early C19th French mahogany Empire design console table . Rectangular ormolu-mounted mahogany console table of restrained and sophisticated form . Fitted with Empirical design free-standing mahogany columns to the front each with chased and cast capitals and terminals . The frieze with a full-length drawer fitted with cast ormolu knob pulls and with a decorative 'blind' double-headed imperial eagle escutcheon plate . Retains the original thick figured carrara marble slab top . The base having a platform raised on turned feet to the front edge . The rear with flat pilaster type upright supports and square-section rear feet . In excellent original condition with a rich colour and patina. The marble top with some historic marks and stains , and minor chips and 'fritting' to edges , commensurate with age , use and purpose. A decorative and practical hall or console table of compact proportions and scale . H 35" W 45" D 18" France c.1825
