Width = 11 cm (4.3")

Depth = 11 cm (4.3")

## Description

A delightful etched glass decanter from the mid Victorian period. This charming example is probably a spirit or liqueur decanter, suitable for Port, Sherry or flavoured Gins. The body is of globe and shaft shape with vertical etched bands, dots and a slice cut neck with twin channel cut bands. The original stopped echoes the dot etching on the body and the base is cut with a multi point star. An excellent, usable example and a great gift idea.
