Description

This beautifully-shaped ENGLISH GEORGIAN CREAMWARE JUG is painted with a bucolic scene to one side and a transfer print of a CASTLE, in maroon, to the other. However, the highlight of this JUG is the painted detail of the person for whom it was made - one ROBERT WARD in 1816. Great skill has been shown in the painting of the trellis and rose border to the collar. There are some old hairlines. There are no chips or restoration. The colours are strong and fresh. A wonderful CREAMWARE JUG. Height: 6.5 inches (16.5 cm) Width (handle to spout): 7.5 inches (19 cm) Express Delivery within Mainland UK is included. We are happy to quote for Overseas Shipping on request.
