Description

Good quality French gilded brass rococo style hexagonal hanging lantern. With decorative gilded brass rococo frame, pretty shell mouldings, reeded central stem holding four simple arms. The panels of glass have etched wheat patterns and are held with a decorative brass frame. A good decorative hall lantern of good large scale in excellent original condition and a great patina. This pretty pair have a delicate gilt frame which is studded with tiny beads throughout from which hang chains of button drops and the wall-lights are dressed overall with pear drops, French slabs drops and oval crystals. They have three simple arms each holding cut glass bobèche drip pans from which dangle small French slab crystals. c1920's Restored, wired, PAT tested and ready to hang. Height 56cm x Width 40cm x Depth 26cm. Please contact us regarding delivery All of our chandeliers and wall-lights are rewired, PAT tested and ready to hang. We have a large warehouse in Marlow full of chandeliers and wall-lights and would love to welcome you to look at our stock (by appointment only but we are flexible with times, ie week days, evenings and weekends) or alternatively we can come to...
