Description

A lovely stripped pine sideboard dating from the late 19th / early 20th Century. There are 3 drawers, each with turned wooden knobs and to the right of the drawers is a cupboard with panelled door which opens to reveal a shelved interior. It stands on a simple plinth base and comes with a working key. The drawers open smoothly and the drawers and cupboards are both clean and tidy inside. It is in good condition and the pine has a nice warm colour. It has been cleaned and given a smooth waxed finish, retaining its lovely aged patina. There are signs of age and use, some marks here and there and a few minor shrinkage splits but nothing untoward or detrimental. It displays very nicely and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
