Description

A beautiful antique diamond solitaire ring. The antique diamond has been remounted into a new platinum setting and shank. The 6 claw setting is very pretty and allows plenty of light around the diamond which enables the whole of the diamond to be visible. It comes with an AnchorCert diamond grading report showing it is a cushion cut natural diamond estimated to be 0.61 carats. The colour is L & clarity SI. Hallmarks are visible to the inside of the shank: 950 Platinum A stunning ring, would be most suitable for an engagement! The setting is tapered, therefore, should fit flush with a wedding band. Measurements: Ring size: K 1/2 Diamond size: 5.2mm x 4.72mm x 3.17mm Weight: 3.5 grams Weights and measurements are approximate. NJL34020

Internal Ref: NJL34020
