## Description

A good quality country house boot and whip stand, dating from the mid to late 19th century. It is made of mahogany with a simple frame, elegant turned knobs for the whips and a slotted central board for the boots. Free-standing double sided form set on raised shaped feet. Good overall condition with a lovely rich patination. Some minor surface marks and signs of age and use but nothing detrimental. An old repair to a break on the boot slots (see photo) but now strong and sturdy. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
