Description

The indigo-blue ground contains a myriad of 'demon heads' according to the Afshar, but in reality, it is a stylised floral palmette, derived from those seen in 16th century Persian classical carpets. The rug is in excellent condition, good pile and glowing vegetable colours, and dates to circa 1900 from the Afshars of Neiriz. Size: 1.53m x 1.20m (5' 0" x 4' 0").
