Description

This is a very impressive large 19th century silk bed throw now framed and makes an ideal wall hanging. The quality of the embroidered silk bed throw is fabulous with floral decoration all over. Still retaining the original colours. Overall condition is superb with minor old repairs but barely visible. The frame is later but is great quality. Hand painted and glazed making the piece heavy! The colours work so well together making this hugely decorative. Height 198cm Width 123cm Price includes UK mainland delivery
