Silver Vesta case with photograph frame

Price

Sold**Item Reference: SA912497****Date of manufacture: Edwardian**

Description

An ordinary looking silver vesta case until it is opened up. It is hinged at the bottom and when open it reveals a photograph frame. The outside is decorated with what would appear to be Shamrocks? The cartouche to the front is unengraved. The silver is in great condition no real signs of wear and no damage. The silver-gilt inside is also in very good condition. The photograph frame has a celluloid cover over the photograph. Fully marked for J Gloster Birmingham 1901 H 4.5 cm W 3.5 cm D 1 cm
