Depth = 12 cm (4.7")

Description

Circa 1910-20 a William Soutter & Sons of Birmingham brass spring loaded candle lamp in very good condition. It measures 32cm in height and the base is approximately 12cm in diameter. The spring candle mechanism is in good working order, and the William Soutter & Sons trade mark is clearly visible on the base. William Soutter & Sons traded from the late 1800's until 1927. Postage and packing is included in the price for the UK mainland only and for outside areas or abroad please contact us for a delivery quote.

Internal Ref: 1760
