Description

A good example of a solid Sterling Silver pepper shaker. It is a stylish and good quality piece with a handle and it weighs approximately 29g. It is clearly hallmarked for Chester, 1896 and the maker Florence Warden. It is in good condition for its age. There are some faint surface marks and a few minor dinks but nothing detrimental and overall it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
