Description

A fine example of a late Victorian Silk Top Hat with felt band. The hat is silk lined and has the maker's mark for "Tress & Co London. Made Expressly for Woods Bros. 31 & 32 Whitefriargate, Hull". The hat is in good condition and displays beautifully. There are some minor signs of age and use and some minor wear inside but nothing detrimental. The inner circumference is approx 21 1/2" / 55cm which translates as a size 6 3/4. The hat comes in its original leather carrying case with plush lined interior and strap for securing the hat. It has a brass plaque engraved "E.A.Barker". It is in very good condition with some signs of age and use, some minor scuffs and marks but nothing detrimental. We do not have a key and the leather strap that would go all the way around the outside has been replaced at some point. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £10
