Description

A fantastic pair of antique leather wing back armchairs. They were made in England, and date from around the 1930-50's. The quality is amazing, they have deep buttoned hump shaped backs, scroll over arms and sit on solid mahogany cabriole legs. The proportions are very generous, the cushions are plump and they are extremely comfortable to relax in. We have had the leather revived and hand coloured by our leather restorer. The condition is excellent for their age, with a beautiful patina and just the right amount of wear. Width – 34 inches , 87 cm Depth – 34 inches , 87 cm Height – 43 inches , 110 cm Seat height – 17 inches , 43 cm
