Description

A fine quality Art Nouveau turned mahogany table lamp that dates to around 1900. It is in beautiful condition....has been rewired with antique gold cable and has been PAT tested.... I have replaced the harp and finial as the original one was the worse for wear but it has its original bulb fitting. Has a milky white glass shade depicting pansies and looks really stylish when lit. Measures 19 inches high with a 6 inch diameter base. A really elegant item which would grace a period or contemporary home. Delivery is free to the UK.....if you require a price to ship overseas, please contact me for a quote. All my items are sold with a full refund policy if you are not completely satisfied with your purchase. Alternatively you are welcome to view any item prior to purchase.....we are based in Wrexham, North Wales.
