Description

This stunning Art Deco-era (1920s-30s) gold ring is an absolute beauty. The emerald-green stone is held within a double-prong setting, with elegant white-gold chevron detailing along the shoulders. The yellow gold shank has a lovely rich deep colour and could easily be mistaken for a higher carat. The ring is in excellent vintage condition, stamped 9C for nine-carat gold and bearing the maker's mark NBS. Size: J (UK), approx 5 (US). The green stone is 8mm diameter and the face of the stone sits around 5mm above the finger. Weight: 1.6g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded. Antique boxes pictured are not included unless specified, your item will come in a new box.
