Description

A stunning pair of original Art Deco period bedside cabinets in walnut. They were made in England, and they date from the 1930's. The quality is outstanding, they have a gorgeous and unusual design. The door fronts are beautifully shaped and these sit on stepped plinth bases. Each door has the original stainless steel handle and opens to reveal storage space with a single shelf. The colour and burr walnut grain patterns are magnificent, and these have been fully stripped and re-polished to a very high standard. The condition is superb throughout.
