Antique Edwardian Sterling Silver Candelabra

Price

Sold**Item Reference: SA913754****Date of manufacture: 1900**

Description

A pair of antique Edwardian sterling silver candelabra which have rectangular shaped loaded bases with shell and flute decoration, shaped columns with the same flute and shell detailing and three-light branches with twisted arms which follow the same flute and shell theme. As the branches are removable, they can be used as candlesticks alone, if so desired, which makes this pair of silver candelabra more versatile and practical. They have drip pans as well as removable nozzles. They would look elegant when displayed on the dining table. Overall height: 41 cms (16.2") Spread of each branch: 36 cms (9.5") Height of each candlestick: 24 cms (9.5") Length of base: 13.5 cms (5.3") Width of base: 10.5 cms (4.2"). They were hallmarked in London for 1908 by Elkington & Co. Ltd. and remain in excellent condition. Complimentary postage is included within the price of these candelabra.
