Price

Sold**Item Reference: SA913792****Date of manufacture: 1900**

Dimensions

Height = 344 cm (135.4")

Width = 320 cm (126.0")

Description

If only I could buy two of these a week! The soft, terracotta background colour and the allover design are extremely decorative and very popular with interior designers. I'm delighted to buy rugs with these attributes because I know they practically sell themselves; easy to use colours, nicely patinated and this is one of the very few almost square ones I have seen. A lovely looking carpet, priced to sell.
