Description

A neat, 18th century antique oak gate leg table. The antique oak gate leg table has a rectangular shaped top with two drop leaves to either side, and when extended it creates a larger oval shaped surface top. The leaves are supported by the two gate legs. The base consists of eight turned legs with straight stretcher supports. A charming example with good colour throughout. Item Ref; M-3274 . DIMENSIONS: Height - 69cm / Width - 107.5cm / Depth - 44cm / Depth (extended) - 121.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and shrinkage splits to the surface top (pictured), also fading to the wood to the base around the legs and supports (pictured). There are signs of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak gate leg table remains structurally solid and sound, with the gate legs working well. Overall, a neat example.
