Description

The serpentine front has two faux drawers with little knobs. The box is opened by lifting the top of the dressing table but first the mirror has to be flipped right around so that the back of the mirror faces forward, the top will not open with the mirror facing forward acting as a "secret mechanism". The underside is where the English hallmark can be found for the highly collectible Chester assay office and the date letter for 1919. The makers initials can also be found here for J & R Griffin -Joseph & Richard Griffin. Excellent condition, measuring 2 1/2" across x 1 3/4" deep x 4" tall to top of mirror.
