Description

A large and impressive antique oak gate leg table on barley twist supports. The antique oak table has a rectangular shaped top when closed with a drop leaf to either side. The drop leaves are supported by two gate legs and form a large circular shaped table top when extended. The antique oak table is raised on six barley twist legs with barley twist stretcher supports. A particularly pleasing example with a nice colour and patina throughout. Item Ref; M-3351 . DIMENSIONS: Height – 71.5cm / Width – 121cm / Depth – 42.5cm / Depth Extended - 126.5cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the table top (pictured) and slight fading to the base (pictured). There are signs of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak gate leg table remains structurally solid and sound, with the gate legs working well. Overall, a good example.
