Description

A wonderfully proportioned and beautifully crafted solid silver bowl. The embossing is particularly pretty with flowers, swags and criss-cross patterns. It also features two empty cartouche areas either side. The bowl stands on a lovely circular foot. Clear hallmarks are visible on one side for the London Assay Office with a date mark for 1900, Lion Passant indicating the finest sterling silver and the maker's mark: Elkington & Co Ltd. This bowl is in superb condition and feels lovely to pick up and hold in both hands and is a particularly good size (not too large not too small). Would make a superb centrepiece on a table. A superior item of silver. Hallmarks: London 1900 by Elkington & Co Ltd. Measurements: Height: 11 cm Diameter width: 15.3 cm Weight: 313.4 grams. Weights and measurements are approximate. NJL35708
