Description

This is a superb quality French early 20th century Oak x frame dining table. Full of character and charm. Great originality and a perfect table for withstanding everyday life. The top comes off the base and the base can collapse completely but when set up it is perfectly solid and with stand for many years to come. I love the thickness of the top and the base as it gives the table a real presence. Height 74cm Length 215cm Depth 96cm Price includes UK mainland delivery
