Description

This is a superb quality 19th century French sofa. The deep buttoned details with the piecrust edge is a great combination and when this upholstered it will be a very inviting settee. Combine that with the original gilt legs it really is rather special. Comfy and attractive size. Evidence of historic worm in the legs but all treated and doesn't effect the structural stability. I also have a matching pair of chairs that can be purchased separately to this sofa. Measurements Height 81cm Width 147cm Depth 80cm Depth of seat 50cm Height of seat 43cm (On my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 12 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
