Description

These are a superb quality pair of 19th century French armchairs. The deep buttoned details with the piecrust edge is a great combination and when these are upholstered they will be a very inviting pair of chairs. Combine that with the original gilt legs they really are rather special. Comfy and attractive size. Evidence of historic worm in the legs but all treated and doesn't effect the structural stability. I also have a matching sofa that can be purchased separately to these chairs. Measurements Height 81cm Width 77cm Depth 80cm Depth of seat 50cm Height of seat 43cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
