Description

This is a very elegant and well designed 19th century French armchair. It is a petite size which means it works well in corners of rooms but is great quality so can be an everyday chair as well. Stands on tall turned legs but the best detail for me is the set back arms. It just sits beautifully. Height 86cm Width 65cm Depth 75cm Depth of seat 46cm Height of seat 43cm (On my website) If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 4 metres of material. You can supply your own or please browse our collections under the material section. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
