Gents good-sized 1950s
Helvetia Britannia watch

Price

Sold

Item Reference: SA915079

Date of manufacture: 1950

Description

Gents good-sized 1950s Helvetia Britannia wrist watch. The watch has a fully signed 17-jewel in-house Helvetia calibre 64 hand-winding movement which is working nicely. The watch is a good wearable size at 34.5mm diameter excluding the winding crown and the lugs. The main body of the case is chrome plated, it has light marking but overall the condition is good. The signed screw-on case back states that the watch is waterproof but, as with any vintage watch, it should be kept away from water and moisture. The lens is in good condition. The signed dial is in good condition with original dauphine shaped hands, a large subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
