A pretty multi-faceted DOUBLE ended Ruby Glass Scent Bottle with Gilt-Metal stops to each end. This scent bottle was part of a private collection started back in the 1990's. Although there is no hallmark it is similar in design to others in the collection dated between 1880-1900. The spherical gilt metal tops to each end come off to access the scent reservoirs inside. One stopper unscrews, the other has a push-button hinged action. The glass trunk is cut in the form of diamond and triangular shapes. Dated: c.1880-1900 Length: 13cm (5.1 inches)
