Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the solid 18ct gold Seamaster model with the heavy Dennison case and a fully automatic calibre 501 movement. The two tone dial is in superb condition having been fully restored. The Omega symbol is on the crown and it is fully marked Omega on the dial, movement and case as you would expect. The watch case measures 34mm in diameter not including the crown and it comes with a new presentation box. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
