Price

Sold

Item Reference: SA915843

Date of manufacture: Georgian

Dimensions

Height = 10.5 cm (4.1")

Width = 8 cm (3.1")

Depth = 8 cm (3.1")

Description

A superb quality and most unusual George III Scottish horn beaker, with fully lined interior with decorative rim, in Old Sheffield Plate. The horn of beautiful colour and good markings. Circa 1800. This is the best example we have ever seen, particularly with the lined interior. In superb condition; the expected bleeding and tarnish to be expected. We have left tarnish to the rim, however could easily be cleaned by new owner if so desired.
