Description

A charming 17th Century antique oak gate leg table. The antique oak gate leg table has a rectangular shaped top with drop leaves to either side, when extended creates a larger circular shaped surface top. The table sits on bobbin turned legs which are connected to straight stretcher supports. There is a single fitted drawer to one end with a simple brass drop handle and backplate. The top also features a carved pattern to the edge which adds to its great charm. Item Ref; M-3419 . DIMENSIONS: Height – 73.5cm / Width – 111cm / Depth – 48cm / Depth (Extended) - 128cm . There is also fading to the surface top but this adds to its characteristics. There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution.
